

Synthetic Vendor Service Agreement

FAKE TEST FIXTURE - no real legal, personal, or financial data.

Agreement Summary

This mock agreement is between Northstar Demo Systems LLC and Aurora Test Services Inc. It is intended solely to test legal-document classification. It contains synthetic terms, fake parties, and no enforceable obligations.

1. Scope of Services

Aurora Test Services Inc. will provide mock monitoring, fictional support, and sample reporting services for a demonstration environment.

2. Term

The synthetic service term begins on 2026-06-01 and ends on 2026-12-31 unless terminated earlier under the mock termination clause.

3. Confidentiality

Each fictional party agrees not to disclose synthetic test materials except as needed for classifier validation.

4. Payment

Northstar Demo Systems LLC will pay a fictional flat fee of \$4,800 per month. No real payment is authorized.

5. Limitation of Liability

Neither fictional party will be liable for indirect, incidental, special, or consequential damages in this mock agreement.

6. Governing Law

This synthetic agreement is governed by the imaginary laws of the Test Fixture Jurisdiction.

Expected Classifier Behavior

Primary target label: legal or contract.

Useful secondary labels: policy, work, technical if the model focuses on service context.

Negative labels: receipt, invoice, reimbursement-packet, reference-image, medical, identity-document.

Synthetic marker: LEGAL CONTRACT AGREEMENT TERMS CONFIDENTIALITY TERMINATION LIABILITY GOVERNING LAW
